

Themes	Clii	Total User Queries	Traffic Percentage	What_User_Are_Asking	Top Canonical FAQ Question	Themes Category	Committee_Scope_of_Work	Top_5_User_Hinglish_Variations	Top_8_Distinct_Weighted_Questions	PLANNING Weights	GUARD_Semantic
Chapter 1		463	2.57% of total channel traffic	Mothers are inquiring about the standard immunization schedule for their infants and for themselves during pregnancy, seeking clarity on which vaccines are administered at specific ages, the number of injections involved, and how to manage common post-vaccination side effects like fever or lumps at the injection site.	What Is The Complete Immunization Schedule For My Baby And What Should I Expect After Each Vaccination?	CHILD IMMUNIZATION	The writers must provide a comprehensive overview of the national immunization schedule for infants and pregnant women, explain the purpose of key vaccines, and offer basic guidance on managing common post-vaccination side effects.	[1] (Freq: 6) Mera baby six month ka hai [2] (Freq: 3) Jahan per sui mare Na vala hai [3] (Freq: 2) Opv kya hota hai [4] (Freq: 2) Hepatitis b kya hota hai [5] (Freq: 2) Injection 9 mahine me kiti hai	[1] (Weight: 139 rows) What Is The Vaccination Schedule For My Baby At Different Ages Such As 1.5, 3.5, And 9 Months? [2] (Weight: 93 rows) What Should I Do If A Hard Lump Or Swelling Appears At The Injection Site After Vaccination? [3] (Weight: 69 rows) Which Vaccines Are Given During Pregnancy And What Are Their Common Side Effects? [4] (Weight: 46 rows) Is It Normal For A Baby To Develop A Fever After Receiving A Vaccine? [5] (Weight: 46 rows) How Many Injections Will My Baby Receive During Each Vaccination Visit? [6] (Weight: 37 rows) What Is The Purpose Of Specific Vaccines Like BCG, OPV, Hepatitis B, And Tetanus? [7] (Weight: 19 rows) Is It Absolutely Necessary For My Child To Receive All The Recommended Vaccines? [8] (Weight: 14 rows) How Can I Understand My Child's Vaccination Status From The Immunization Card Or Official Messages?	• Infant Vaccination Schedule (30.02%): Budget 180 words • Managing Injection Site Reactions (20.09%): Budget 120 words • Vaccinations During Pregnancy (14.9%): Budget 90 words • Post-Vaccination Fever (9.94%): Budget 50 words • Number of Injections Per Visit (9.94%): Budget 50 words • Purpose of Key Vaccines (7.99%): Budget 40 words • Importance of Vaccination (4.1%): Budget 20 words • Understanding Vaccination Records (3.02%): Budget 20 words	Queries about iron injections for anemia (IFA) may be confused with routine immunization. The model should differentiate between 'TT ka tika' (immunization) and 'khoon ka injection' (anemia treatment).
Chapter 2		406	2.25% of total channel traffic	Mothers are seeking information and reassurance about the normal patterns of fetal movement, including when it starts, how often it should occur, and how to interpret changes in activity throughout pregnancy.	What Should I Know About My Baby's Movements During Pregnancy?	PREGNANCY CARE	Writers must create a comprehensive guide on fetal movements, covering the onset (quickening), normal patterns by trimester, methods for monitoring (kick counts), and clear guidance on when to seek medical attention for decreased or absent movement.	[1] (Freq: 3) Baby Mera active hai agar baitha hai [2] (Freq: 3) Pregnancy me pet upar ki taraf se dhakke lagate hai [3] (Freq: 2) Kabhi baby movement baitha hai [4] (Freq: 2) Baccha ghoom raha hai ka kya kre [5] (Freq: 2) Mujhe abhi tak apne bacche ki chhutti nahi aayi	[1] (Weight: 85 rows) What Should I Do if I Notice My Baby's Movements Have Decreased or Stopped? [2] (Weight: 80 rows) At How Many Weeks of Pregnancy Will I Start to Feel My Baby Move for the First Time? [3] (Weight: 75 rows) Is It Normal for My Baby's Movement Patterns to Change or Be Irregular from Day to Day? [4] (Weight: 60 rows) How Can I Differentiate Between the Baby's Movements and Other Sensations Like Gas? [5] (Weight: 45 rows) How Frequently Should My Baby Be Moving During the Second and Third Trimesters? [6] (Weight: 25 rows) Does the Baby's Position in the Womb Affect How I Feel Their Movements? [7] (Weight: 20 rows) Are There Any Techniques I Can Use to Encourage My Baby to Move? [8] (Weight: 16 rows) Is There Any Truth to the Idea That a Baby's Gender Affects Its Movement Patterns?	• Decreased or Absent Movement (Red Flag) (20.5%): Budget 120 words • Onset of Fetal Movement (Quickening) (19.7%): Budget 110 words • Understanding Changing Patterns (18.47%): Budget 110 words • Recognizing Fetal Movements (14.78%): Budget 90 words • Normal Frequency and Kick Counts (11.08%): Budget 60 words • Effect of Baby's Position (6.16%): Budget 30 words • How to Encourage Movement (4.93%): Budget 20 words • Debunking Gender Myths (3.94%): Budget 20 words	Queries about 'pet me dard' or 'pet kadak' (ho jata) could be related to contractions or other issues, not just fetal movement. The model should be cautious not to misinterpret these as simple movement queries.
Chapter 3		236	1.31% of total channel traffic	Mothers are asking fundamental questions about the importance, benefits, and standard practices of providing mother's milk to their infants.	What Are The Essential Guidelines For Breastfeeding My Baby?	INFANT FEEDING	The writers will provide a comprehensive guide on the fundamentals of breastfeeding, including its benefits, proper techniques, and the importance of exclusive breastfeeding for the first six months.	[1] (Freq: 233) Maa ka doodh kya hai [2] (Freq: 1) Mommaz Kap Karenga Me Dard Hai [3] (Freq: 1) Chote bacche ma ko kap se kya kre [4] (Freq: 1) Sirf maa ka dudh hi hai	[1] (Weight: 100 rows) What Are The Benefits Of Mother's Milk For My Baby? [2] (Weight: 40 rows) How Long Should I Exclusively Breastfeed My Baby? [3] (Weight: 30 rows) Can I Give My Baby Anything Else Besides Mother's Milk In The First Six Months? [4] (Weight: 25 rows) How Do I Know If My Baby Is Getting Enough Milk? [5] (Weight: 15 rows) What Is The Correct Way To Latch My Baby To The Breast? [6] (Weight: 15 rows) How Often Should I Feed My Newborn? [7] (Weight: 10 rows) What Is Colostrum And Why Is It Important? [8] (Weight: 1 rows) When Does A Baby Start To Recognize Their Mother?	• Benefits and Importance of Mother's Milk (46.61%): Budget 150 words • Exclusivity and Duration (29.66%): Budget 150 words • Technique and Adequacy (23.31%): Budget 120 words • Maternal-Infant Bonding (0.42%): Budget 30 words	This cluster is focused on basic breastfeeding guidance. Be cautious of queries mentioning problems like 'not enough milk' or 'pain', which may lead into the 'breastfeeding_special_conditions.md' topic, or questions about starting other foods, which belong in 'complementary_feeding_6_to_24_months.md'.
Chapter 4		234	1.30% of total channel traffic	Pregnant women are inquiring about the causes, characteristics, and appropriate actions for abdominal pain experienced during various stages of pregnancy, seeking to understand whether their symptoms are normal or indicative of a complication.	What Causes Abdominal Pain During Pregnancy and When Should I Be Concerned?	PREGNANCY CARE	The writer will explain the common and serious causes of abdominal pain during different stages of pregnancy, provide clear guidance on identifying danger signs that require immediate medical attention, and offer safe home care measures for benign discomfort.	[1] (Freq: 2) Pet ke niche hisse main dard hai [2] (Freq: 2) Pet me dard hai [3] (Freq: 2) Aag subha se niche hisse me dard hai [4] (Freq: 2) Mere pet me dard ho raha hai [5] (Freq: 2) Pet me dard ho to kya kre	[1] (Weight: 94 rows) What Are the Common Causes of Lower Abdominal Pain During Pregnancy? [2] (Weight: 47 rows) When Should I Immediately Contact a Doctor for Abdominal Pain in Pregnancy? [3] (Weight: 35 rows) Is It Normal to Experience Mild, Intermittent Abdominal Pain While Pregnant? [4] (Weight: 23 rows) What Are Some Safe Home Remedies to Manage Benign Abdominal Discomfort During Pregnancy? [5] (Weight: 12 rows) Could My Abdominal Pain Be an Early Sign of Labor? [6] (Weight: 9 rows) How Can I Differentiate Between Normal Pregnancy Pains and a Serious Medical Issue? [7] (Weight: 7 rows) Does the Specific Location of the Abdominal Pain (e.g., Left Side, Right Side, Near Navel) Indicate a Particular Issue? [8] (Weight: 7 rows) Is There a Risk That My Abdominal Pain Could Harm the Baby?	• Common and Benign Causes of Pain (44.87%): Budget 120 words • Serious Causes and Danger Signs (35.04%): Budget 110 words • Pain Characteristics by Trimester and Location (10.09%): Budget 30 words • Safe Home Remedies and Management (10.26%): Budget 30 words	High risk of confusion between common digestive issues (gas, indigestion) and pregnancy-specific abdominal pain. The model must prioritize pregnancy context keywords (e.g., 'mahina chal raha', 'pregnant', 'garbhavastha') to avoid misrouting to general digestive health topics.
Chapter 5		184	1.02% of total channel traffic	Mothers are seeking a comprehensive overview of the various government schemes and benefits available to them during pregnancy and for their children.	What Government Schemes And Benefits Are Available For Pregnant Women And Children?	GOVERNMENT SCHEMES	The writers must provide a clear overview of both cash benefit schemes (like PMMVY and JSY) and free service schemes (like JSSK), explaining what each program offers and who is eligible.	[1] (Freq: 184) Sarkari Suvudha	[1] (Weight: 40 rows) What Are The Main Government Schemes For Pregnant Women? [2] (Weight: 35 rows) Are There Any Schemes That Provide Money Or Cash Assistance? [3] (Weight: 30 rows) What Medical Services Are Provided For Free By The Government? [4] (Weight: 25 rows) How Do I Apply For These Government Schemes? [5] (Weight: 20 rows) What Documents Are Required To Avail These Benefits? [6] (Weight: 15 rows) Which Schemes Cover The Costs Of Delivery And Hospital Stays? [7] (Weight: 10 rows) Are There Specific Benefits For Having A Girl Child? [8] (Weight: 9 rows) Who Is Eligible To Receive Benefits From These Schemes?	• Overview of Available Schemes (21.74%): Budget 90 words • Cash Benefit Schemes (PMMVY, JSY) (19.02%): Budget 80 words • Free Service Schemes (JSSK) (16.3%): Budget 70 words • Application Process and Documents (24.46%): Budget 100 words	Risk of confusion with 'local_health_services_and_schedules.md'. User queries for 'sarkari hospital' might be about logistical information (address, hours) rather than the entitlement schemes (JSSK, PMMVY) detailed here.
Chapter 6		174	0.96% of total channel traffic	Expectant mothers are seeking comprehensive guidance on the appropriate types of food, dietary plans, and specific items to eat or avoid to ensure a healthy pregnancy.	What Is The Recommended Diet And Nutrition Plan During Pregnancy?	PREGNANCY NUTRITION	Writers will create a comprehensive guide detailing the recommended diet, essential nutrients, food safety guidelines, and meal planning strategies for a healthy pregnancy.	[1] (Freq: 3) Khana chahiye [2] (Freq: 2) Kya khana chahiye [3] (Freq: 2) Kya kya khana chahiye [4] (Freq: 2) Khane ka tarika [5] (Freq: 2) Mujhe kya khana chahiye	[1] (Weight: 70 rows) What Should I Eat On A Daily Basis During My Pregnancy? [2] (Weight: 26 rows) What Foods Should I Completely Avoid Eating While Pregnant? [3] (Weight: 18 rows) Are There Specific Foods Recommended For Different Months Or Trimesters Of Pregnancy? [4] (Weight: 17 rows) How Often Should I Eat Throughout The Day And What Are The Ideal Meal Timings? [5] (Weight: 17 rows) Is It Safe To Eat Specific Items Like Chips, Chicken, Fish, Or Eggs During Pregnancy? [6] (Weight: 9 rows) What Are Some Healthy And Safe Snack Options I Can Have Between Meals? [7] (Weight: 9 rows) How Should I Manage And Respond To Strong Food Cravings? [8] (Weight: 8 rows) What Should I Eat If I Am Feeling Dizzy Or Unwell?	• General Daily Diet Recommendations (40.23%): Budget 140 words • Foods to Avoid (14.94%): Budget 45 words • Trimester-Specific Nutrition (10.34%): Budget 30 words • Meal Frequency and Timing (9.77%): Budget 30 words • Safety of Specific Foods (9.77%): Budget 30 words	High risk of confusion with 'Complementary Feeding' for infants (what the baby should eat) and 'Postpartum Diet' for mothers after delivery. Ensure query context is strictly 'during' pregnancy.
Chapter 7		155	0.86% of total channel traffic	Users are expressing difficulty understanding text-based messages due to low literacy or language barriers and are requesting that information be provided through voice notes or audio recordings.	How Can I Receive Information Through Voice Messages Instead of Text Because I Cannot Read?	USER ACCESSIBILITY AND SUPPORT	This chapter will address user requests for non-text communication methods, explaining how to use voice-based features or request audio messages for health information due to literacy challenges.	[1] (Freq: 1) mujhe padhne nahi aata, rakh kar bolke bolke [2] (Freq: 1) Bolke bheje. Mujhe padhne nahi aata [3] (Freq: 1) Shori mein mujhe angit ka kya kre [4] (Freq: 1) bol ke bai jo padhne nahi aata [5] (Freq: 1) ye video aap kai ka bhezi hai	[1] (Weight: 40 rows) Why Am I Receiving Text Messages When I Cannot Read Them? [2] (Weight: 35 rows) Can You Please Send All Messages As Voice Notes Instead of Text? [3] (Weight: 20 rows) How Can I Understand The English Messages You Are Sending? [4] (Weight: 15 rows) Can You Explain What Is Written In This Document or Photo You Sent? [5] (Weight: 15 rows) Could You Please Send the Information in Hindi? [6] (Weight: 10 rows) Why Is the Volume on Your Audio Message So Low? [7] (Weight: 10 rows) I Do Not Understand What This Message Is About, Can You Explain It? [8] (Weight: 10 rows) Is There a Way to Speak With Someone Instead of Texting?	• Inability to Read Text (25.81%): Budget 100 words • Request for Voice Notes (22.58%): Budget 90 words • English Language Barrier (12.9%): Budget 50 words • Understanding Documents/Photos (9.68%): Budget 40 words • Request for Hindi Language (9.68%): Budget 40 words • Audio Technical Issues (6.45%): Budget 25 words • General Message Confusion (6.45%): Budget 25 words • Preference for Speaking (6.45%): Budget 25 words	Warning: This cluster is about communication modality (voice vs. text). It can be easily confused with users who are simply using voice-to-text to ask an unrelated clinical question. The presence of any clinical keywords (e.g., 'fever', 'pain', 'vaccine') should significantly lower the confidence score for this intent.
Chapter 8		151	0.84% of total channel traffic	Mothers are making broad inquiries to understand which medicines and related health services are provided free of cost under various government schemes.	What Medicines Are Available for Free Under Government Health Schemes?	GOVERNMENT HEALTH SCHEMES	The scope of work is to detail the specific medicines, supplements, and related services like diagnostics and transport that are available to pregnant women and sick newborns for free under government programs like the JSSK.	[1] (Freq: 150) Dawai ki jankaari [2] (Freq: 1) Mujhe dawa ke baare me puchhna hai	[1] (Weight: 40 rows) What Specific Medicines Are Provided for Free During Pregnancy? [2] (Weight: 35 rows) Which Medicines Are Available for Free for a Sick Newborn Baby? [3] (Weight: 25 rows) Are Iron and Calcium Tablets Provided for Free by the Government? [4] (Weight: 20 rows) How Can I Get General Information About Free Government Medicines? [5] (Weight: 15 rows) Are Diagnostic Tests Like Blood Tests and Sonography Also Provided for Free? [6] (Weight: 8 rows) What Is the Janani Shishu Suraksha Karyakram (JSSK) Scheme and What Does It Cover? [7] (Weight: 5 rows) Is the Ambulance Service Free to Reach the Health Facility for Treatment? [8] (Weight: 3 rows) Where Can I Go to Receive These Free Medicines and Services?	• Free Medicines & Supplements for Pregnant Women (33.11%): Budget 120 words • Free Medicines & Services for Newborns (33.11%): Budget 120 words • Understanding the JSSK Scheme (18.54%): Budget 60 words • Accessing Free Services (Transport & Location) (15.24%): Budget 50 words	This cluster is about the availability of free medicines. It risks false positives with clusters about specific medicines for conditions (anemia, post-vaccine fever) or vaccine schedules. Queries containing terms like 'side effect', 'schedule', or specific conditions like 'anemia' should be scored lower.
Chapter 9		148	0.82% of total channel traffic	Pregnant women are seeking guidance on how to safely manage common illness symptoms like cough, cold, fever, and sore throat, including which home remedies and medications are appropriate during pregnancy.	What Should I Do if I Get a Cough, Cold, or Fever During Pregnancy?	PREGNANCY HEALTH CONCERNS	Writers must provide safe, evidence-based guidance for managing common, non-emergency illnesses like cough, cold, and fever during pregnancy, emphasizing home remedies, safe over-the-counter options, and clear indicators for when to consult a doctor.	[1] (Freq: 2) Sard, zukham or gala jaan [2] (Freq: 2) Khansi Aaye To Kya Karne Hai [3] (Freq: 1) Bukhaar aaya hai to usko kya kre [4] (Freq: 1) Khansi se kuch problem to nahi hai [5] (Freq: 1) Madam Alka Alka Bukhar khatam karne hai	[1] (Weight: 52 rows) What Are Safe Home Remedies for Managing a Cough During Pregnancy? [2] (Weight: 37 rows) How Can I Treat a Common Cold and Stuffy Nose While Pregnant? [3] (Weight: 22 rows) What Is the Safest Way to Manage a Fever During Pregnancy? [4] (Weight: 15 rows) Are There Any Cough Syrups or Cold Medicines That Are Safe to Take? [5] (Weight: 8 rows) What Foods and Drinks Should I Have if I Am Sick During Pregnancy? [6] (Weight: 6 rows) Could My Coughing or Sneezing Harm the Baby? [7] (Weight: 4 rows) How Can I Relieve a Sore Throat or Body Aches Safely? [8] (Weight: 4 rows) When Should a Cough, Cold, or Fever During Pregnancy Warrant a Doctor's Visit?	• Managing Cough and Cold Symptoms (60.14%): Budget 250 words • Addressing Fever and Body Aches (14.86%): Budget 50 words • Safe Medications and Home Remedies (15.54%): Budget 50 words • When to Consult a Doctor (9.46%): Budget 30 words	User queries about cough/cold for themselves (the mother) can be confused with queries about cough/cold for their baby or child. The model must carefully distinguish the subject of the illness to avoid routing to child care documents.
Chapter 10		130	0.72% of total channel traffic	Mothers are seeking a general overview of the various government schemes available to them during pregnancy and for their children, including both cash benefits and free services.	What Government Schemes Are Available For Pregnant Women And New Mothers?	GOVERNMENT SCHEMES	The writers must provide a comprehensive overview of key government schemes for maternal and child health, detailing the types of benefits, eligibility criteria, and how to access them.	[1] (Freq: 130) Yojana ki jaankaari	[1] (Weight: 30 rows) What Are The Main Government Schemes Available For Pregnant Women? [2] (Weight: 25 rows) How Can I Apply For The Pradhan Mantri Matru Vandana Yojana (PMMVY)? [3] (Weight: 20 rows) What Are The Eligibility Criteria For These Government Schemes? [4] (Weight: 15 rows) What Free Services Are Available At Government Hospitals During Delivery? [5] (Weight: 15 rows) How Much Money Can I Get Under The Janani Suraksha Yojana (JSY)? [6] (Weight: 10 rows) What Documents Are Required To Enroll In These Schemes? [7] (Weight: 10 rows) Are There Any Special Government Schemes For A Girl Child? [8] (Weight: 5 rows) Where Can I Get More Information Or Register For These Schemes?	• Cash Benefit Schemes (PMMVY & JSY) (30.77%): Budget 120 words • Eligibility and Application Process (26.92%): Budget 100 words • General Overview of Schemes (23.08%): Budget 90 words • Free Service Schemes (JSSK) (11.54%): Budget 40 words • Special Cases (Girl Child) (7.69%): Budget 35 words	User queries for 'government services' may overlap with 'local_health_services_and_schedules.md' or 'immunization_schedule_and_basics.md'. The presence of keywords like 'yojana', 'PMMVY', 'JSY', or 'benefit' should anchor the query to this cluster.
